

**Armorgard SiteStation™ SS2**

- Secure on-site workstation providing a compact site office and central hub.
- Split into two compartments with separate lockable doors, both containing full width shelving for easy organisation of contents.
- Slanted working shelf in top section also acts as a lockable lid for the compartment behind.
- Ideal for storing anything from PPE to fixings and power tools.
- Allows project managers to stay close to the work and workers on site, while reducing the requirement for temporary site offices.
- Robust design and 5-lever deadlocks ensure the SiteStation is secure.
- LED work light and 2x 240V sockets are built in.
- Lifting eyes, fork pockets and castors mean the unit is very mobile and easy to move around site.
