

Data Sheet | Model:

Armorgard SpoolKart™ SPK2

- Mobile kart for storing, organising and operating with multiple spools.
- Puncture proof, solid rubber wheels for easy transportation across all terrains.
- Robust 2.5mm steel construction with powder coating for maximum durability.
- Three easy-to-load, adjustable spool bars supplied with the unit as standard.
- Three adjustable, anti-tangle cable dispensers supplied as standard for ease of use.
- Purpose designed cut out holes for storing pliers, wire cutters, screwdrivers and other hand tools.
- A lockable storage box on the back of the unit for housing small tools keeping your equipment accessible.
- Stores multiple spools of cable.
- Metric and imperial measuring units on the sides to simplify cutting to measured lengths.
