

HP INDIGO · GLOSS WHITE POLYPROPYLENE · FORMERLY HPI ADHERE

Indigo Adhere

Waterproof gloss labels guaranteed for HP Indigo. Vibrant colour, professional finish.

DESCRIPTION

A gloss white top-coated polypropylene face on an acrylic permanent adhesive with high clarity and cohesion, giving strong adhesion to polar and apolar substrates such as PE and PP.

One-side coated kraft release liner with excellent stability on sheet-to-sheet digital printers. An alternative to PVC on rigid or semi-rigid PE and PP.

APPLICATIONS

Product and packaging labels · beverage · home and personal care · promotional and point-of-sale labels · asset labels · barcodes · durable shipping labels.
