

CLEANING SEALING & AFTERCARE

75% ALCOHOL ETHANOL MULTI-SURFACE CLEANER TECHNICAL DATA SHEET

REF 19/5/5

LTP 75% ALCOHOL ETHANOL

Multi-surface cleaner

Multi-surface sanitising cleaner. Ideal for use on door handles, kitchen worktops, taps, computer screens, touch screens, fabric, upholstery tile and stone surfaces.

Not suitable for surfaces that have been polished with a natural or acrylic wax.

Directions for use : 500ml Spray

Test on an inconspicuous area.

Walls, worktops taps and door handles: Spray and wipe surfaces using a microfiber cloth or similar.

Fabrics and upholstery: Spray finely and leave to dry.

Floors: Spray the surfaces and spread out evenly using a flat microfibre mop or similar. Leave to dry. Drying takes about 5 minutes. Avoid walking in wet solution during and after application.

Directions for Use: 5 lit

Ideal for large surface area cleaning and re-filling 500ml spray.

Pour solution into drip tray for direct application or fill spray mop canister. Wipe surfaces using a flat mop and leave to dry. Drying takes about 5 minutes. Avoid walking in wet solution during application. For application to multiple contact points soak a microfibre cloth with the solution and wipe surfaces.

Health, Safety & Environmental

CONTAINS: ETHANOL; PROPAN-2-OL; ETHYL METHYL KETONE

Highly flammable liquid and vapour. Causes serious eye irritation. Keep out of reach of children. Read label before use. Keep away from heat, hot surfaces, sparks, open flames and other ignition sources. No smoking. Wear protective gloves/protective clothing/eye protection. **IF ON SKIN (or hair):** Take off immediately all contaminated clothing. Rinse skin with water. **IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention. Dispose of contents/container to a licensed hazardous waste collection site except for empty clean containers which can be disposed of as non-hazardous waste.

DANGER

UN1987

This information is offered without guarantee. The material should be used so as to take account of the local conditions and the surfaces to be treated. In case of doubt, the product should be tried out in a inconspicuous area.
