

POP

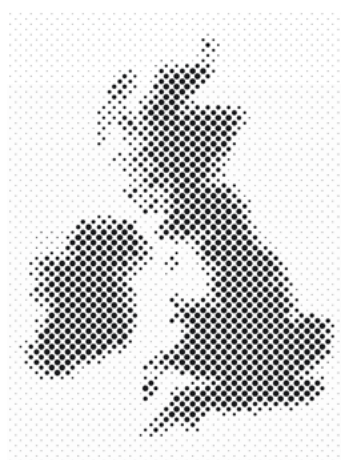

The POP Chair is a bold and contemporary one piece Air Moulded chair, designed for hospitality, workplace and educational environments. The POP Chair is strong, lightweight and durable. Equally at home inside and out POP is available in 12 vibrant colours with a UV resistant finish.

DESIGNER

Nick Pearson - 2009
The design aim was to produce a competitively priced all in one air moulded chair, suitable for a range of contemporary environments, from beach cafes to school dining rooms and everything inbetween.

PLACE OF ORIGIN

The POP chair is manufactured at a specialist plastic injection moulder based in South Yorkshire, UK. Collaborating with local British subcontractors ensures Origin has complete control over all stages of production with the chairs stocked, quality controlled and assembled at our factory in Cheshire.
